While I do believe it is important for the teacher to go over new concepts of learning to prepare the students for basic knowledge and tests, I think this course had a bit too much time for explaining things. It would really only take an hour to teach and understand what was taught for two and a half hours. Having more time to get hands on experience and work the camera, lighting and sound would be extremely beneficial for this course, I think. Just my opinion. :)

This was a very interesting and enjoyable class, with a great instructor.

I loved the course and really enjoyed having Professor Hermann as an instructor. She was thoughtful, engaged and clearly dedicated to the success of her students. My one complaint is that we were required to buy a textbook even though all the assigned readings were posted for free on D2L, which is great, but I would have preferred that by itself to buying the book.

Had fun

Awesome class. Learned a lot! I did not get all my work in on time, and that's my mistake. The professor was amazingly helpful and available when needed. Loved the assignments and how much she challenged us.

I really enjoyed this class and thought you were really informative and realistic. I learned a lot from your presentations and appreciated all your feedback

I loved this class. Courtney is a fantastic teacher- she is encouraging but not afraid to tell you what needs to improve and how to do it. She goes the extra mile with her students and put in a lot of time and effort with me to make sure my final films were the best they could be. Thank you Courtney!

I absolutely loved this class and Courtney. 10 out of 10 would take any of her courses again.

Courtney Herman is a wonderful instructor and I hope to have her again

i think it may have been better to have us make one short during midterms and one during finals rather than waiting until the end to do two

This class has by far been one of my favorite classes this year and I recommend it to anyone who has the slightest interest in film. Overall great class and great instructor.

Professor Hermann is an amazing instructor! She cares about her student and wants them to perform to the best of their abilities! She gives her students the push and motivation when the student feels lost in an assignment! She is phenomenal in her field and I would recommend her teaching to anyone who attends PSU! I hope to take her courses again in the near future!
